

Dear John,

6/26/98

Jorge and I would like to take this opportunity to tell you how excited we are that we finally sold our house and will soon be beginning the construction process of our new home.

Before choosing Select Homes we looked at many models and talked to a few builders. Out of all the models we saw, we were most impressed by your homes. We can see that you build beautiful quality homes.

We also appreciated the reasonable prices of your homes. We are happy to be able to get the house we want at a price we can afford.

Doug was also one of the reasons we chose Select Homes. His knowledge and understanding of the construction process has helped us with many decisions. He is also personable and very enjoyable to deal with.

We look forward to watching our home be built, and we thank you for everything.

Sincerely, Angela Diaz
