To whom it may concern:

I have had the unique pleasure of knowing the Cherveney Family for over 15 years. It is a strong family that understands the value of hard work, patience and perseverance. I've watch the Cherveney Family instill a strong work ethic to all those they touched with the different businesses they have owned.

Please accept this letter as my strong endorsement of the Cherveney Family. They epitomize all that is good in families today and are a shining example for others to follow. Please feel free to contact if you have any questions.

Warm Regards,
