**Subject: Reference.... Select Homes / J.M.C. Contracting**

**This letter will certify that I have known Select Homes / J.M.C. Contracting, it's owners and employees since 1999. I purchased a Custom built home from this organization in 1999 and can only reflect my utmost pleasure in doing business them. I found the employees to be very trustworthy, sincere, honest and extremely helpful in all aspects both personal and business related.**

**Most of all, Mr. John Cherveney, President of this company, followed through on all contractual and promissory made dealings to my total satisfaction. He continues to this day to assist in any questions I have on all aspects of my property.**

**With the above mentioned, it is without exception and with great enthusiasm that I offer my sincere praise and recommendation in any future endeavor.**

**Sincerely,**
